ABOUT OUR GARDEN VENUE

RESTORED AND MANAGED BY PLUMPTON COLLEGE

The walled garden makes a stunning backdrop for a variety of events including baby showers, birthday parties and celebrations of life.

Located on the edge of the South Downs National Park and a stone's throw from Brighton's bustling city centre, the venue is easily accessible for all of your guests.

At its heart, One Garden Brighton is about connection – with nature, with community, and with each other. Events here don't feel commercial. They feel crafted.

One Garden Brighton offers a setting that is as memorable as it is meaningful. Nestled within the rolling greens of Stanmer Park and the South Downs National Park, this walled garden has become a well-loved space for gathering – whether it is a birthday party, a team away day, or a community celebration.
